Club Finals Weekend

The outdoor season has now come to an end and concluded with our club finals weekend from Friday evening 12th September through to Sunday afternoon 14th September. The weather was kind to us on Friday, Saturday and Sunday morning. The forecast for Sunday afternoon was grim but fortunately the rain held off until almost the finish with just the last couple of ends of the Men's pairs being played in the wet. Congratulations to all those who were successful in the 11 various games. Thanks go to all of those both on and off the green who helped made the weekend so successful.
